

Support the EntrePartners Innovation Center!

EntrePartners is an endeavor of The James Gang, a 501(c)(3) nonprofit grassroots community-building organization established in 2002 and based in Iowa City, Iowa, that fosters interdisciplinary community development by helping people realize and share their own creative ideas, expressions, and ambitions. We joined the ranks of endeavors in 2022, but have been running events independently since 2018.

Previously, we sponsored our activities through larger non-profit organizations in the area and welcomed in-kind donations. However, we decided to build an organizational structure after the in-kind support of others ended. Our programs are fully supported through ticket sales, sponsorships, and donations from people like you who want to make the community a better place.

We have a number of sponsorships available for our programs, including Startup Weekend Iowa City, Startup Weekend Iowa Online, and Iowa City Open Coffee. As we continue to expand our programming throughout the region, we will have more opportunities for companies and individuals to support our efforts.
